

THE LEGEND

Newsletter of the Kinderhook Elks Lodge #2530

June 2019

ER's Message

To the Kinderhook Elks Family,

Lots of new things going on, the BBB tickets and survey cards are in and will be mailed out soon, a murder mystery dinner show is in the works for the fall, a show with out a dinner hopefully in late June, Cruise - ins the third Sunday of every month from May thru October, a Paint N Sip, August 4th, Chris's Homecoming, June 15th, (tickets are \$25 @, see ER Anne if interested), and of course the regular events that happen every week, Sunday breakfasts, open to the public, Wednesday night dinners dart night Thursdays and Friday's wings and things. Always something going on. Stop on by, meet up with friends, play pool or darts, or just hang out, help support the Lodge in any way you can.

Mother's Day has come and gone, Father's Day is just around the corner, and soon it is that wonderful time of year when we start making phone calls and begging and pleading for help with THE FAIR!! Oh those dreaded words!! The hope for this year is that getting fair help will be a little easier than it has been in the past few years. Please this is our biggest event of the year, it takes time to call members to ask them to help, if this year you could help out with one shift, ok maybe two, could you please either stop by the Lodge, or call after four and let someone know that you are willing and able to help, and when you can volunteer? There are volunteer options to park cars, baby sit the radio's, help sign parkers in and out, or sell raffle tickets, not all jobs require you standing for the 4 hour shift.

The shifts that are the hardest to cover are after-noon and evenings. We have a bunch of new member who have never parked cars before, so to help them understand what we do, we are going to have a few nights of overview. Nothing major, just about 1/2 an hour of your time to explain how we park cars, the way we do it and why, and to get you a little more comfortable with the process. Over the years new members have stated that they don't know what they are doing and they feel like they are thrown to the wolves, or in other words the general public, and they can be brutal. Dates will be forthcoming, if you can't make the dates please let us know and we will work around your schedule.

This is our biggest fundraiser of the year. To pay our bills, and support the community, with hoop shoots, little league, Boys State, Veteran's, the list goes on and on, we need this job and we need you. Please 4 -8 hours of your time would be such a blessing. The fair runs from August 28- September 2, 2019. Help us help the community.

Just a reminder meetings are at 7:30 for May and the first meeting in June on our trial run, than we need to decide if we stay at 7:30 or we go back to 8:00 start time. You find out what's going on at the meetings, please consider attending. This is our Lodge, your Lodge what happens here depends on all of us, please come let your voice be heard, voice your ideas, make new friends, and keep in touch with old ones.

Thank you for everything you do to help the Lodge and to help the community.

Cooking with the Elks

Rick LaCrosse's Corn Chowder

Ingredients: 4-5 Ears of Corn (equal 4 cups)
1 tsp Butter
1/4 lb Bacon, chopped
1 small onion, diced
3 cups Milk
1/2 lb Idaho Potatoes, cut into cubes
(about 2 large)
3/4 cup Heavy Cream

Cut the corn off the cob.

Place 1 tsp butter in a large pot over medium high heat. Add bacon and cook until golden.

Lower heat to medium and onion. Cook for 2 - 3 minutes until onion is translucent.

Add milk and potatoes. Adjust the heat so it's simmering energetically but not bubbling like crazy.

Remove lid, add corn, cream and cook for 5 minutes or until cooked to your taste.

Makes 6 servings.

GRAND LODGE ACTIVITIES COMMITTEE

Scouting still helps today's youth By MARGARET O'POLKA Committee Member.

With summer upon us, has your Lodge reached out to your local Scouting troops? If you have not, I urge you to so do. Scouts can help with many of our Lodge Activities and our ceremonies, especially Flag Day. Did you know that the Elks have supported Scouting for over 60 years? The mentorship from Elks develops Scouts' potential and helps them become vital members of their communities.

Young people today need the skills and values instilled by Scouting. What better way to prove that "Care – Share" than to charter a Cub Scout pack, Boy Scout troop, or Girl Scout troop. As we know, our future lies with our children; all too often, the challenges and problems they face seem insurmountable. Today, more than ever, our young people need the guidance and mentoring of quality adult role models found within our Order. By chartering a Scouting unit, Elks provide a positive alternative to the youth of their community. Lodges benefit from the Scouting partnership by: • Strengthening the community • Gaining visibility in the community by having active Scouting programs linked with the Lodge • Providing an excellent opportunity for Members to mentor youth • Participating in the development of more responsible young adults • Increasing Lodge membership by exposing parents to the beliefs and ideals of our Order.

Please remember that there are certificates and letters from the Grand Exalted Ruler that can be awarded at an Eagle Scout Court of Honor or a Girl Scout Advancement Ceremony. There are also Gold, Silver, and Bronze certificates for Girl Scout Advancement as well as an Arrow of Light certificate of merit for the Cub Scouts, which are fillable and printable under the Grand Lodge Activities Committee at elks.org. The youth of today are our leaders of tomorrow. Support Scouting today!

GRAND LODGE GOVERNMENT RELATIONS COMMITTEE

Self-inflicted problems are major threat to Elkdom

By DANIEL J. CAPELLA
Committee Member

Our Government Relations Committee is ever ready to assist our Grand Lodge, State Associations and Local Lodges in protecting and preserving our right to exist as a private organization. Since its conception, this committee has always been vigilant when proposed governmental rules and regulations or perhaps situations have threatened our existence.

Sadly, it must be acknowledged that threats to our organization do not always originate from the outside. It can be argued that in Elkdom, some validity is found in the Pogo comic strip quotation, "We have met the enemy and he is us." Why? It's because some of the difficulties that we encounter, including those that seriously jeopardize our well-being, are self-inflicted.

Consider that we allow our Members or guests to overdrink within our Lodge or on our property because we do not want to limit business or tell a Member

or guest that they have had too much. When this happens, we become our own enemy, the result of which can lead to devastating consequences, both to our reputation and financial situation.

Consider when we allow our social media accounts to publish photos of drinking and other negative behaviors that have happened at Lodge functions, or when we publish negative remarks by Member, should disagreements take place between individual Members or cliques. In both cases, we create a larger problem and embarrass ourselves.

Consider when thoughts and concerns of the Lodge membership are overlooked or minimized because those in charge do not want to stray from the past, or because they do not want to be bothered with new ideas that could be advantageous. New thoughts are not automatically bad; they should be given consideration. Failure to do so limits our potential and can lead to apathy among Members who then become disconnected.

Consider our lack of attention to the financial management of our

Lodges. Perhaps a better term would be mismanagement. We have procedures and protections in place to prevent fiscal problems from occurring, yet monetary dilemmas arise because of a lack of financial knowledge, a refusal to live within a budget, or even a refusal to exert the necessary time and effort to follow set routines. Overlooking our fiscal regulations leads to embarrassment, investigations by Grand Lodge and/or the government, and, at times, closure.

Again, this is not interference from non-Elks. It is our own fault for not taking our financial responsibilities seriously or for not seeking assistance along the way.

Just as the Government Relations Committee needs to be watchful and ready to protect our status as a fraternal organization, each and every Elk must be aware of the harmful situations within their own Lodge. Any negative habits or practices must be taken seriously and corrected because struggling against those on the outside is difficult enough; allowing deterioration to spread from within is a death sentence.

Elk of the Month

Each year we give an Elk of the year award to one Elk. Since we have so many outstanding Elks the newsletter committee has decided to give a little credit to an elk that has gone the extra mile.

Each month we will announce a member that has given that little extra for the betterment of the Lodge and its members. This month we would like to give this honor to a woman who steps up not just when asked but whenever she sees a need. She has helped on numerous committees, dinners, and functions at the Lodge, not only working them but planning and advertising as well. She does so much on her own, but yet other members volunteer her for more. She accepts the responsibility and always follows through. So for these reasons and many others the Elk of the Month for June is..... JeAnne Engel.

Grant provides brighter days

As the Community Investments Program continues to expand, we remain committed to our primary mission of investing in communities across the country through grants that help Elks meet local needs.

Starting in 2019-20, we are debuting our newest grant offering, the Spotlight Grant! Every Lodge will have the opportunity to use this \$2,000 grant to shine a light on two important issues facing nearly every American community—family literacy and homelessness among our nation's veterans.

All Lodges are encouraged to apply. The Lodge does not need to meet the GER's per-member-giving goal to receive this grant. The CIP hopes to approve more than 1,000 Spotlight Grant applications by the December 31 deadline. Help us reach our goal by applying!

Grant projects must be complete by March 31, 2020. To learn more about the Spotlight Grant visit:

Americanism Essay Contest for 2018-19 Results

There's no doubt they love this land

By DAVID P. CIOE, Americanism Contest Administrator

Final judging of the Americanism Essay Contest for 2018-19 has been completed. The theme was "What Makes You Proud of America." A huge round of applause and many thanks go out to all the students, parents, guardians, teachers, Lodges and State Associations who followed through on the process to reach the submittal and judging stages of this contest.

The submissions were excellent and certainly made the job of judging quite difficult. We enjoyed reading all of the essays and all of us in Elkdom are extremely proud of all of the contestants.

In all, a total of 79 submissions were received. The results are as follows:

DIVISION I — 5th & 6th Grades (40 submissions)

1st Place: Angeline Todorov, 6th grade, Worcester Preparatory School, Berlin, MD, sponsored by Ocean City, MD Lodge No. 2645.

2nd Place: Isabella Galusha, 6th grade, Abigail Adams Middle School, Weymouth, MA, sponsored by Weymouth/Braintree, MA Lodge No. 2232.

DIVISION II — 7th & 8th Grades (39 submissions)

1st Place: Emily Scott, 8th grade, Royalton-Hartland Middle School, Middleport, NY, sponsored by Lockport, NY Lodge No. 41.

2nd Place: Isabelle Cummings, 7th grade, Maria Weston Chapman Middle School, Weymouth, MA, sponsored by Weymouth/Braintree, MA Lodge No. 2232.

Congratulations to the winners! Your plaques will be displayed at the Fraternal Committee Booth during the Elks National Convention in St. Louis, MO from June 30 to July 3. State Association Presidents, or their designees, may pick up the plaques for presentation after the Convention.

The Americanism Essay Contest Theme for 2019 – 2020 is "What Does Freedom of Speech Mean to Me?" Give a round of applause to the bright kids that submitted surveys to our lodge. We hope you to enjoy reading their essays. *Note: The parents have given permission to publish these.*

What Makes Me Proud of America

Written by 7th Grader Jenna Palubeckis of Chatham

One reason why I'm a proud of America is because we have moved past the times when people were treated different because of how they look. Those times were times when people could not even go to the same school or sit in the same seats, all because of their race. I am proud that people have stood up to segregation and have formed a community of equality. Now we learn to celebrate diversity and our differences, and why try to make sure that everyone is treated equally and fairly.

Another reason why I'm proud of America is for education system. We are so lucky to get a Learn something new everyday and we get to gain knowledge for future. Education is something that we should be thankful to receive because it helps many students expand their understanding of many different subjects. This education will help us when we grow up and decide to go to college, get a job or whatever we decide we choose.

The last reason I am proud of America is because we have improved on who gets a say in our country. This was a problem in the past when only men were allowed to vote for have the same government. We now have people fighting for women's rights and make sure that everyone gets a say. This is something that has changed our community in such a positive way and now lets everybody vote and have a say in what happens in our country. I am proud to be American.

What Makes Me Proud of America

Written by 8th Grader Elizabeth Holliday of Valatie

America, like all other nations is a collection of unique individuals who represent themselves in ways that add to the creativity and success of America. Our nation has endured a number of challenges in the past, which strengthen our nation from the very beginning. It was known that we would establish a sturdy nation through our beliefs and traditions, as well as our perseverance and will to tackle challenges.

America's creativity and innovations have contributed to our success and is what continues to make us proud of our nation. The number of inventions performed and experiments conducted throughout the development of America is shocking and it has made us more advanced with each step closer to perfection. While America isn't responsible for all creations, what we have victoriously made has pointed us in the right direction. Furthermore, our kindness towards other nations strengthens our own home. America provides numerous amounts of aid to others, in hope of enhancing and helping that specific society with hope to increase the nation's potential; we were always improving. Because of these I am proud to be a part of America and its exceptional ideas.

America is full of opportunity and ways to fulfill societies' dreams. We have commerce and trade, freedom of religion and speech, and most importantly, food, water and air. It starts with the little things, and by simply achieving these needs, it can be the start of productive and rewarding life. America is lucky to have healthy natural resources, as well as an abundant source of food, which makes me proud that just by having these, I can go to the next step and become a active member of society. I can practice whatever religion I want to, and I can live my life anyway I want to.
