

THE LEGEND

Newsletter of the Kinderhook Elks Lodge #2530

September 2019

ER's Message

To the Kinderhook Elks Family,

Thank you to everyone for all the things you do seen and unseen. Thank you to the members that will be helping out with the Chatham Fair, either parking cars, working the booth selling raffle tickets, or manning the radios some for one shift, or for some for many more. Thank you to the grounds keepers and the cleaners that when they see something they do something. Thank you for volunteering you time, talents and money to help out the Lodge and the community we serve. The Lodge won't thrive without you.

The Lodge is what you make of it. New friendships are made, and some of those turn into part of an extended family. New members are stepping up and helping out. Wednesday night dinners are picking up, the news letter is filled with so much information, activities are happening. Games of who's in the baby picture, name the Vet, trivia, drop the quarter. If you don't know what these are stop by the Lodge.

If you aren't involved, why not? Come get your feet wet, work with a crew, if its not the right fit, try another. There are always crews looking for help on a regular basis and a fill in basis. Got an idea for a function at the Lodge? Come tell us about it, lets work out a plan and give it a try.

The next few months will be Lodge visitations, which any member is able to attend. We go to the Lodges in our district, meet new people, see their rendition of the ritual, and have time to socialize. There is a schedule posted on the bulletin board.

Our visitation is November 2nd at 3pm, I hope you will come and join us. The state convention is also in September, from the 19-22, in Albany. Again every member is welcome to attend, free of charge. The newsletter has more details. There is also a murder mystery dinner September 21, and open house. No need to continue as the information is contained in the rest of the newsletter.

Thank you again for everything you do.

ER Anne

Wow what a time at the fair!! We really know how to pull together and raise monies for the lodge. When we say brotherly love, you can absolutely see it in the actions of our members. We cannot thank each and everyone of you for all the hard work and long hours. It is heartwarming to see everyone chipping in to make this work for OUR lodge!! I did try to get all the volunteers but as you know it was really busy. My apologies to those who did not make the paper.

Thank
you!

Thank
you!

Cooking with the Elks

Chicken Pot Pie

Crust

1 box Pillsbury™ refrigerated pie crusts, softened as directed on box

Filling

1/3 cup butter or margarine

1/3 cup chopped onion

1/3 cup all-purpose flour

1/2 teaspoon salt

1/4 teaspoon pepper

1 3/4 cups Progresso™ chicken broth (from 32-oz carton)

1/2 cup milk

2 1/2 cups shredded cooked chicken or turkey

2 cups frozen mixed vegetables, thawed

Heat oven to 425°F. Prepare pie crusts as directed on box for Two-Crust Pie using 9-inch glass pie pan.

In 2-quart saucepan, melt butter over medium heat. Add onion; cook 2 minutes, stirring frequently, until tender. Stir in flour, salt and pepper until well blended. Gradually stir in broth and milk, cooking and stirring until bubbly and thickened.

Stir in chicken and mixed vegetables. Remove from heat. Spoon chicken mixture into crust-lined pan. Top with second crust; seal edge and flute. Cut slits in several places in top crust.

Bake 30 to 40 minutes or until crust is golden brown. During last 15 to 20 minutes of baking, cover crust edge with strips of foil to prevent excessive browning. Let stand 5 minutes before serving.

For veteran help, stay informed to stay relevant

By MARY K. MORGAN
Commission Director

Who do you think of when you think of a veteran? A senior citizen in a "Vietnam Veteran" hat? A woman with young children? A young man in need of housing? There are an estimated 22 million veterans in the United States and they all have different needs. As Elks, we need to stay informed of those needs to ensure our programs stay relevant.

The post-9/11 veteran population is expected to increase 22% between 2016 and 2021. Today's military is 14% female, and that's expected to increase to 20% in the next 10-20 years. About 55% of veterans are aged 65 or younger. More than

half of veterans don't use any VA services. Many traditional veterans organizations are losing members. That means we have to work smarter to connect with veterans.

Here are some tips on how to do that. Start by thinking locally. For example, it's estimated that one-fifth of homeless veterans live in California, making the Welcome Home program especially effective in that state. Alaska has the highest percentage of veterans aged 20-34 at 17 percent, so active, outdoor activities could be more popular. And in many rural areas, the biggest issue facing veterans may be

transportation and access to medical care.

Once you've identified a need in your community, find partners. Build relationships with veterans, facility staff, and volunteers directly in your community. You may be familiar with the adage, "if you've been to one VA, you've been to one VA." That's true of many veterans programs. You will likely need to adapt project ideas and processes to work best in your community.

Finally, when in doubt, listen. Every generation, every community and every person has different challenges.

New Members can give your Lodge a spark

The Lodge year is nearly half over, so I hope that Lodges are taking action and making plans that will result in overall success. The best events are the ones that are properly planned and executed, with forethought as to what will be needed in terms of promotion and execution. New ideas should be discussed with open minds to provide more opportunities for Members to enjoy their membership and meet new people. Our new Members bring fresh energy and ideas that should be heard and considered. We need to make them feel like they are an important part of the Lodge, because they are.

In planning events, it often seems that a small group of reliable Members are the ones who do the work, while newer Members feel left out and have no place in the life of their Lodge. Hmm...maybe there's an opportunity here. Consider bringing more Members into your helper network, including

**Message from
the Grand
Exalted Ruler**

**ROBERT L.
DUITSMAN**

new Members, so that everyone can feel invested in the life of their Lodge. One of the biggest reasons we lose Members is because nobody takes an interest in them. If they are invited to be a part of events, they will likely take a stronger interest in their Lodge.

Also, one of the hallmarks of our Order is our service to our communities by getting out and making our communities better places while promoting the Elks brand. I have often said, "*If they know you, and they like you, they'll want to be a part of you.*" By getting involved in community events and

undertaking programs and activities that will resonate with your community, everyone wins. A great opportunity is an activity celebrating National Patriotism Week, September 9-15. It is only one of many suggested opportunities included in the Grand Lodge calendar that has been distributed.

Exalted Rulers, you were there for our national convention in St. Louis. You were able to see Elkdom on full display. For too many, "Elkdom" is their Lodge building and whatever is contained within. While that is an important part of the Elks experience, there are other opportunities outside the Lodge, such as district, state, and national events that can enrich Members' understanding of what we are all about. Please share your experiences with Members who were unable to attend so they can better understand what Elkdom encompasses and instill in them greater pride in being part of our fraternity.

Elk Trivia

At the Grand Lodge Session of 1946, the word "God" replaced the words "a believer in the existence of a Supreme Being."

In 1952, the Elks discontinued the use of a blindfold during the Initiation Ritual,

in 1972, GER Francis M. Smith proclaimed November as the first Elks "National Veterans Remembrance Month."

From 1950 to 1952 the members of the B.P.O.E. supplied 600,000 pints of blood for GI's in Korea.

Elk of the Month

Since we have so many outstanding Elks the newsletter committee has decided to give a little credit to an elk that has gone the extra mile.

Each month we will announce a member that has given that little extra for the betterment of the Lodge and its members.

This month's member comes up with many ideas to raise money and bring members together that alone is huge undertaking.

But also this member is the resident weed whacker and can be seen on many hot days with trimmer in hand trimming hedges, puts on the Sunday wings and dogs.

This member gives up Sunday afternoons for all football season, fills in as bartender many times, often makes 2 trips a day from home to Elks, helps out on dinners and if he sees something that needs to be done he does it. Not to mention this member goes to each meeting and all this with a big smile.

This month Elk of the Month goes to Dave Travis!

Chris completed all the requirements for achieving Eagle Scout with over 50 merit badges. That's more than what is required. He is the 1st to attain Eagle Scout in the recently re-activated Troop #42.

The lodge presented him with a US Flag and certificates verifying that the flag was flown over the capital in 2017. He was presented with a certificate of congratulations and a \$50 check.

Veteran's Recognition

We would like to recognize our veteran members within our lodge. Email, drop off or mail a picture in your uniform along with your name for Thom and Tammy to pick up.

We will proudly display your picture in the order we received the submissions on a wall within the lounge for a month. We give time for members to guess who it is and then we will add your name to the picture.

Once your month of fame is over, we will place it in a photo album within the lodge.

Any submission or questions, please email
Thom and Tammy McDermott at:
editor@kinderhookelks.org

Last month, did you guess (Oil Can) Dave Riffley?

When I polled the membership in August, all but 2 out of 23 guessed correctly. Try your luck this month.

Our Veteran submission. Do you know this guy? He is a regular at the lodge.

New York State Elks President Visit

- Friday October 25, 2019 thru Sunday October 27, 2019 Schedule to be determined

THE ELEVENTH HOUR TOAST You have heard the tolling of eleven strokes. This is to remind us that with Elks the hour of eleven has a tender significance. Wherever Elks may roam, whatever their lot in life may be, when this hour falls upon the dial of night, the great heart of Elkdom swells and throbs. It is the golden hour of recollection, the homecoming of those who wander, the mystic roll call of those who will come no more. Living or dead Elks are never forgotten, never forsaken. Morning and noon may pass them by, the light of day sink heedlessly in west. But ere the shadows of midnight shall fall, the chimes of memory will be pealing forth the friendly message: to our absent members.

BPOE Lodge Lapel Pins

Do you have lodge pins that haven't seen daylight and possibly tucked away in a drawer or an old box?

If you don't want the pins any longer, we would love for you to rehome the pins to the lodge.

We have hung up a peg board within the lounge for all the unwanted pins to shine brightly for all the lodge members to see.

Feel free to add on to the board and share a story on how you came about getting the pin.
