Newsletter of the Kinderhook Elks

January 2020

ER's Message

To My Kinderhook Elks Family,

Happy New Year!!! It's a time for new beginnings, new ideas, and new perspectives, and it's time to let go of some of the things holding you back. The Lodge year is quickly coming to the end, and guess what that means? We need officers, would you like to move the Lodge forward? Please if you have any questions about being an officer ask, if you would like to be an officer let an officer know. The new Lodge year is fast approaching.

Many thanks to everyone for all their efforts with Marion Stegmann, another successful year. We tried some new things, and some of them worked. Woo hoo!! Members donated money, toys, and their time, everything you did helped and is greatly appreciated. The more people we get involved the better. Thank you also to the Boy Scouts pack, troop and adventure crew 113, the Kinderhook Runners Club, the Girl Scouts and every person who did anything to help make this program possible. It is amazing to see the love people have for one another. Thank you so much.

I want to thank the members that go above and beyond every day. Many times, as I step into the Lodge and there are people here doing things without recognition, not because they don't deserve it, but because we just don't know things are getting done. The to-do list is getting done, windows replaced, bathroom repairs, wall work, step support, thank you to everyone.

The Christmas party was a success, everyone had a great time. I heard nothing but good things about the event. Great job to the coordinator of the event.

There are a few crews that need some help. If you have some time to help out either on a Sunday breakfast, a Wednesday night dinner, Sunday's wings and things, afternoon football snacks please let someone know, and if you don't know who to tell let me know. Every crew is different, so if you pick a crew and it isn't the perfect fit, there are other crews available. Come get involved. The more you're here the more friends you make.

I love the fact that on the wall at St Luke's Church they have posted:

"Volunteers are not paid because they are worthless, but because they are priceless!"

Thank you to all of you for everything you do for the Lodge and the community we serve.

God bless.

ER Anne Leiser

Wishing you a happy, healthy New Year. May the new year bless you with health, wealth and happiness.

In the New Year, may your right hand always be stretched out in friendship, never in want.

RE: Grand Lodge Master Liability Insurance Program for 3/31/20-3/31/21

The Laws of the Order, Section 4.231, requires an annual redetermination of the per capita assessment to ensure adequate funding of the Master Liability Insurance Program. Our *Laws* require a Local Lodge to collect the per capita assessment from each Member and from each Life Member. The Lodge is responsible for the payment of the per capita assessment to the Grand Secretary.

Insurance Companies provide excess coverage above the \$1,500,000 Self Insurance Fund. The same policy terms and conditions will remain next year, however the cost will increase. Due to several large claims, the Insurance Companies will increase the premium next year.

To provide adequate funding of the Master Liability Program, the per capita assessment will increase from \$5.00 to \$7.00 for the 3/31/20-3/31/21 policy year. Please make sure that your Lodge budget includes this increase for the fraternal year beginning on April 1, 2020. Thank you.

ELKS NATIONAL FOUNDATION

Members can pass down a Legacy

Scholarship-seeking season comes to an end on January 31 when the Legacy Award application closes. Legacy Awards are available to high school seniors who are the children or grandchildren of dues-paying Elks who joined the Order on or before April 1, 2017, or are charter members of a Lodge that was instituted on or after April 1, 2017.

Each Legacy Award recipient will receive a \$4,000 scholarship distributed over the course of their college career.

“This award means so much to me because I’ve seen how much my grandparents enjoy being Elks, and I look forward to getting involved,” said Erin Murphy, a 2019 Legacy scholar sponsored by Inverness, FL Lodge No. 2522.

Legacy Awards scholars are required to serve with the Elks once per year. Legacy scholars can get involved, for example,

by rebounding at a Hoop Shoot contest, assisting with Lodge-run projects or Community Investments Program grant projects. The chances for Legacy scholars to serve with their community and learn about the Elks are endless.

Timothy Wilbert, a 2019 Legacy scholar, volunteered with Louisville, KY Lodge No. 8—his sponsoring Lodge—and Frankfort, KY Lodge No. 530 to take veterans fishing, one of his favorite hobbies.

“It is a great feeling to help others do what you love to do,” Wilbert said. “Serving with the Elks taught me compassion.”

The deadline to apply for Legacy Awards is January 31 at 11:59 a.m. CST. Visit enf.elks.org/LEG to learn more.

We can’t wait for you to meet the 2020 class of Elks scholars!

Grand Lodge News

New year starts with awards, scholarships

Welcome to 2020! Beth and I extend our best wishes to everyone for a happy and successful year.

January is a time to wind down the affairs of the year gone by and plan for the year to come. The efforts of our Members too often go unrecognized. While many Members serve in varying capacities just for the love of the organization, an expression of gratitude and recognition is always appreciated.

Also to be recognized are those Lodges that distinguish themselves through their dedication to working the programs of the Order and serving the needs of their communities. Awards for Elk of the Year and Officer of the Year are available from Grand Lodge, and there is nothing to prevent things like Exalted Ruler Special Citations from being prepared to express appreciation to those who make our Lodges successful.

In January, all Lodges will be

Message from the Grand Exalted Ruler

ROBERT L. DUITSMAN

receiving an application form to enter the All American Lodge Contest. It is a tremendous opportunity for a Lodge to receive recognition for its efforts during the year. Receiving such an award will inspire Members to continue their efforts with the knowledge that they are important and are being recognized. Something to consider.

While many of us were focused on the Most Valuable Student scholarships that had a November close date for applications, there is also the Legacy Scholarship that is available until January 31. It provides \$4,000 scholarships to the children and

grandchildren of Elks Members. The Elks are doing their part to try to give deserving individuals the opportunity to further their education without allowing a lack of financial resources to be a barrier. More information on these and other opportunities can be found on the Grand Lodge website.

Some may not be aware, but in the Ritual there is provision for a Past Exalted Rulers' Night. On the first Lodge meeting in February the Exalted Ruler can appoint Past Exalted Rulers to fill the four chair positions as well as Esquire and Chaplain. This is a good opportunity to give special recognition to those who have served in the highest office in their Lodge over the years, and keep them involved in the life of your Lodge. In some cases Past Exalted Rulers are called on to conduct an initiation, which would be a special treat that generates interest among the membership.

GRAND LODGE GOVERNMENT RELATIONS COMMITTEE

Communication can make a Lodge recession-proof

By **TONY MARKARIAN**
Committee Member

Depending on who you speak to, economic signals are suggesting we might have some belt tightening ahead of us in 2020. You cannot ignore the future and how your charity programs will respond. Run your own statistics and look up your Lodge, district and state charity dollars donated following 2007 to now.

In researching the State Association of California & Hawaii, I noticed we did not see a decrease for some years following the last recession. Further studies showed that our Members reached out to the community and actually held fundraisers that brought non-Member money into our Lodges, creating monies surpassing the prior years.

Maybe the answer is diversifying your charity dollar by adding new fishing holes, holding public fundraisers, or simply

reminding your Membership how many people rely on their participation.

Think about the Member who shows up once a year for a function. We all have them. During a difficult economy, the last bill in line will most likely be their Elks membership dues, knowing they're not participating as often as they could. During a recession, consumer confidence drops, and people hold on to their money and tighten their belts.

Take the time to recession-proof your Lodge by letting all Members know where their contributions are going. Tell them how important they are to you especially if you haven't seen them for a while! Try this nontraditional method. I bet they pay their dues the day it comes to the door!

Call all Members before your first dues notice goes out and let them know where their donations have gone this year. Remind them that every dollar

from every Member has gone towards fueling the ship that changes lives of hundreds and thousands of people in Our Country. Let them know these are men, women and children who are in need and count on our support. Ask them for suggestions on how to get more participation from Members. You will find out communication with anyone makes them feel valuable, especially when you are calling to notify them about the charitable works of the Order.

Reach out to every Member in person or by phone and let them know what your charity book looks like and how you have recorded all of your events this year. Show them how the time and miles driven by volunteers have been converted into dollars donated in addition to cash contributions. If every Member knew how important they were, Lodges would never lapse in membership.

Award season starts this month

By DENNIS A. RAMSEY

Committee Chairman

The final quarter of the Lodge Year is here and now is a great time for ERs to review the Lodge's accomplishments and recognize those individuals who have made significant contributions to the Lodge and community.

Here are three award certificates available for you to request and present.

- **Elk of the Year.** This award is for a Member who demonstrated devotion, dedication, and loyalty to the Lodge. This award cannot go to an Officer.

- **Officer of the Year.** For an outstanding current Officer who went beyond his or her duties to provide leadership and voluntary services to the Lodge.

- **Citizen of the Year.** This award is not limited to Elks. It gives Lodges an opportunity for community outreach and membership recruitment within the community.

Application requests for the above may be downloaded at elks.org/clms2web/files/AwardRequestForm.pdf. These applications must be postmarked or e-mailed to the Grand Secretary's Office by March 31.

In addition, the following awards are also available from the Grand Lodge Fraternal Committee:

- **The GER Special Citation Award.** The ER is authorized to issue these to two Members who did extraordinary work during the year.

- **Making a Difference – ER.** This Special Citation is available for ERs who participated in six (6) of the nine (9) listed programs and contests during the year.

- **Making a Difference – Lodge.** This Special Citation is available for Lodges that participated in six (6) of the eleven (11) listed programs.

Application requests for the above Special Citations may be downloaded at: elks.org/grandlodge/ger/files/GERAwardCertificationForms.pdf. These applications must be postmarked or e-mailed to your Area Member of the Grand Lodge Fraternal Committee by March 31. These forms are fillable PDFs for your convenience.

Stay connected with your Fraternal Committee and ask us any questions you may have. Together, we are making a difference in all we do as “*Elks Care – Elks Share!*”

Cooking with the Elks

Andrew's White Sauce

Ingredients:

2 sticks melted butter
1/4 cup flour Cook down until flour is slightly browned.
1 qt milk
2 tbsp garlic powder
1.5 tsp salt
Bring almost to a boil until milk froths.
Take off heat.
Add 9 strips chopped bacon.
Pepper to taste.

Final texture should be a sauce that coats the back of a spoon. Thin enough to just coat pasta but not thick enough to clump when pouring off a spoon.

Apple Crisp

6 apples peeled and chopped
2 Tbsp granulated sugar
1 3/4 tsp ground cinnamon, divided
1 1/2 tsp lemon juice
1 1/2 cup light brown sugar
1 cup old fashioned oats
3/4 cup all-purpose flour
1/2 cup cold unsalted butter, diced into small cubes
pinch of salt

Preheat oven to 350 F degrees. Butter an 8x8 baking dish, or spray with non-stick cooking spray. Set aside.

In a mixing bowl, add chopped apples, granulated sugar, 3/4 tsp of the cinnamon and lemon juice. Stir to combine, then transfer to prepared baking dish.

In a separate mixing bowl, add topping ingredients (brown sugar, oats, flour, 1 tsp cinnamon, salt, and diced cold butter). Use two forks or even your hands to cut butter into the mixture.

Spread topping over apples in baking dish, and gently pat to even it out. Bake 40-50 minutes, until golden brown and bubbly.

Elk of the Month

Since we have so many outstanding elks, the newsletter committee has decided to recognize an elk that has gone the extra mile.

Each month we will announce a member that has gone above and beyond for the betterment of the Lodge and its members. The Elk for the month of January has been a member for many years. If you ask him to do something he's on it in a heartbeat. If he sees something that he feels can be improved upon, he does it. He many times works alone, and has gotten the official title of the Committee of One.

He always has an idea or an opinion, and if you ask for it you will most definitely get it.

The Elk of the Month for January is our one and only **Rich Fisher!**

We would like to recognize our veteran members within our lodge. Email, drop off or mail a picture in your uniform along with your name for Thom and Tammy to pick up.

We will proudly display your picture in the order we received the submissions on a wall within the lounge for a month. We give time for members to guess who it is and then we will add your name to the picture.

Once your month of fame is over, we will place it in a photo album within the lodge.

Any submission or questions, please email Thom and Tammy McDermott at:

How Can the Elks Do Everything They Do for the Community?

The answer is simpler than you might think. While substantial monies are solicited from members via fundraising letters, Elks also raise money by directly asking members for it, by having fun, and by holding profitmaking activities, like raffles, dinner-dances, golf outings, motorcycle rallies, and parties. All of these can provide a positive cash flow, and members do not hesitate to reach into their own pockets to contribute to whatever project is at hand.

Additionally, early on in the organization, at all levels—from lodge to state to national—the importance of accruing assets by investing wisely has meant that income from these assets can also be used to add to the funding of the many activities of the Order.

Today, the BPO Elks members continue their mission to extend charity, promote patriotism, and serve their communities, and the US Postal Service is an invaluable aid in these efforts.

2020 Legacy Awards Application

The Elks National Foundation is proud to announce the launch of the 2020 Legacy Awards contest!

The application opened on September 1, 2019.

[Click here](#) to learn more and to apply for the 2020 Legacy Award.

Applications are due online by January 31, 2020.

Legacy Awards are \$4,000 scholarships available to children and grandchildren of Elks members. The ENF will select 300 Legacy Award winners in 2020.

Becoming a Member

To be eligible for membership in the Benevolent and Protective Order of Elks, you must be a citizen of the United States over the age of 21 who believes in God.

You can be sponsored by any member in good standing from any lodge in the country. You'll also need two other Elks who will be your references. The Elk who proposes you for membership will provide you with a copy of the Membership Application, or will email you a link to the online version of the form. Please follow all instructions and answer all questions. If applying via hard copy, please return your completed application to the Lodge Secretary.

Your application will be read at a regular Lodge meeting. It will then be forwarded to the Investigating Committee, who will call you and set up a time for you and your sponsor to meet with the committee so that they can interview you.

After the interview is concluded, the committee will report to the Lodge concerning your membership. The members will be given a notice not less than 10 days nor more than two months before the vote will be taken.

When the vote is concluded, you will be notified and asked to present yourself and your spouse for indoctrination. During indoctrination, you will learn more about the Order's programs and charities. You will also be told during the program the date you will be initiated.

After initiation as an Elk, you can take part in all meetings and social functions of the Lodge.
