## Newsletter of the Kinderhook Elks

### MARCH 2020

#### ER's Message

To My Kinderhook Elks Family,

As I write that, I truly mean it. You are part of my family. A family is not a blood line or a piece of paper. Family is loving someone; caring for them; listening, to be able to understand, not just to hear words, helping out because you want to, not because you have to; being there not only in the good but in the bad; stepping up when others step out; accepting who a person is; forgiving someone when they do something we don't agree with or want to accept. None of us are perfect we all have our quirks and our faults. Families may not agree with everything you do, but they love you anyway.

This is ER message number 12, hard to believe, I know it is for me. Spring is just around the corner and the Lodge is welcoming new blood into the line of officers. Isn't that exciting? We're moving forward. The officers that have served this Lodge are not leaving us, just like past officers, they will continue to help us as we move forward. I want to personally thank every officer for all they have done and continue to do for the Lodge. We couldn't do it without you. Ideas and input are wonderful things and the more ideas we have the more people we will get involved.

The District Initiation will be held at the Hudson Elks Lodge on March 14 at 3:00. We have close to 10 new members coming in. Please come out and show your support to them, and our Lodge. Sponsors please be there too, your knowledge of how initiation works, and your presence will help ease the nervousness. We've all been there and seeing all these people walk around in tuxedos may be a little intimidating. After they are initiated bring them around the Lodge, introduce them to members, sign up to work a function or two with them until they get to know people and feel comfortable being there without you. Thank you for helping the Lodge grow.

"Volunteering can be an exciting, growing, enjoyable experience. It is truly gratifying to serve a cause, practice one's ideas, work with people, solve problems, see benefits, and know one had a hand in them" Harriet Naylor

Are you involved? Wouldn't you like to be? Check out our "Volunteers Needed!" section. Get involved, get more out of your membership.

The political season is going to be starting very soon. I'll say this now and I will keep putting it in the newsletters, if we can't have a respectful conversation when we're getting together to relax, let's not talk politics. We want the Lodge to be welcoming to everyone.

Thank you to everyone for your support while moving my son to Indiana, it's greatly appreciated.

Thank you for everything you do for the Lodge and the community we serve.

ER Anne Marie Leiser

# Grand Lodge News

## New leaders stress communication, education

March is an exciting month in the life of every Lodge. The installation of officers must be held after March 15 and no later than April 15. This is the time for new leadership to assume responsibility for the governance of the Lodge.

A challenge that may exist is the failure to properly train new officers for their duties. Many Lodges have their practices and traditions in some respects, but there are fundamental responsibilities provided in our statutes that all officers should be familiar with. Are you holding an officer training program within the Lodge or district that gives new officers the knowledge and tools to help them do their jobs? Knowing what to do must be learned, and new officers may not know where

### Message from the Grand Exalted Ruler

**ROBERT L.  
DUITSMAN**

to look to get the best information.

And please, don't forget to get your committees appointed and provide committee members with the information they will need to do their jobs. I've often thought how helpful it would be for every committee chair to be asked to attend a Lodge meeting every month or at least every quarter to give a report on the activities of the committee. It will provide

meeting attendees with updates of committee activities, and it will instill in committee chairs an understanding that the activities of their committees have value and their reports are appreciated.

All eyes are also on Lodge finances. Budget preparation should be underway, with serious thought being given to rightsizing Lodge spending plans to keep them within anticipated receipts. Too often budgets are prepared just because they have to be without serious consideration of what will be needed to maintain long term Lodge viability.

Please take your budgeting responsibilities seriously to make sure your Lodge will remain a welcoming home for your Members for many years to come.

## DRUG AWARENESS PROGRAM

## Marijuana, nicotine use rises as cool kids vape

By **FRANK SCARPINO**  
Special Contributor

Findings from the National Institute on Drug Abuse's (NIDA) 2019 "Monitoring the Future Survey" demonstrated the appeal of vaping to teens, as seen in the increased prevalence of marijuana use and nicotine vaping.

The self-report survey is given annually to a nationally representative sample of eighth, 10th, and 12th graders who respond to questions about their drug use and attitudes. Last year, 42,531 students from 396 public and private schools in the U.S. participated in the survey, and while declines in use of prescription drugs, alcohol, and cigarette smoking were observed, vaping and marijuana use among teens increased significantly.

Vaping of marijuana, which has more than doubled in the past two years, was reported at 20.8% among 12th graders, with 10th graders not far behind at 19.4%

and eighth graders at 7.0%. Marijuana vaping among 12th graders nearly doubled in a single year to 14% from 7.5% – the second largest one-year jump ever tracked for any substance in the history of the survey. For the first time, the survey measured daily marijuana vaping, which was reported at 3.5% among 12th graders, 3.0% among 10th graders, and 0.8% among eighth graders.

Marijuana continues to be the most commonly used illicit drug by adolescents. After remaining mostly stable for many years, daily use of marijuana went up significantly since 2018 among eighth and 10th graders – now at 1.3% and 4.8% respectively. However, overall past year marijuana use rates remain steady among teens (35.7% among 12th graders; 28.8% among 10th graders; and 11.8% among eighth graders).

Rates of any illicit drug use other than marijuana remain relatively low among

12th graders; past year use was 3.6% for LSD, 3.3% for synthetic cannabinoids, 2.2% for both cocaine and MDMA (ecstasy), and 0.4% for heroin. Other drug use, including the misuse of prescription medicines and the use of alcohol as well as tobacco cigarettes, continues to decline.

"We are heartened to see the continuing decline in the use of many drugs, particularly non-medical use of prescription opioids," said NIDA Director Dr. Nora Volkow. "However, teens are clearly attracted to vaping products, which are often concentrated amounts of drugs disguised as electronic gadgets."

Hopefully, with the passage of the federal law which now makes it illegal for anyone under 21 in the United States to purchase vape products and e-cigarettes, as well as more traditional tobacco products, teen vaping rates will decline.

## Elk of the Month

**Since we have so many outstanding elks, the newsletter committee has decided to recognize an elk that has consistently gone the extra mile.**

Each month we will announce a member that has gone above and beyond for the betterment of the Lodge and its members.

The Elk of the Month for March has been a member for a few years. Works a breakfast crew, a Wednesday night dinner, bartends, has brought in repeat business for the Lodge, takes care of most of the supply purchases, is currently our Inner Guard and helps out whenever he can. He is always willing to help and if you need someone to talk to, he will listen.

As an added benefit he comes with his amazing wife and partner, who you can always find doing something around here.

The Elk of the month for March is

## Veteran's Recognition

We would like to recognize our veteran members within our lodge. Email, text, drop off or mail a picture in your uniform along with your name for Thom and Tammy to pick up.

We will proudly display your picture in the order we received the submissions on a wall within the lounge for a month. We give time for members to guess who it is and then we will add your name to the picture.

Once your month of fame is over, we will place it in a photo album within the lodge.

Any submission or questions, please email  
Thom and Tammy McDermott at:  
[editor@kinderhookelks.org](mailto:editor@kinderhookelks.org)

Last month, only the person who submitted the photo knew this one. Raymond "CHIP" Lynch.

Now, Try your luck this month. Do you know this guy?
