ER's Message

To my Kinderhook Elks family,

Welcome back!!! at least partly. The Lodge lounge is open. There are rules that must be followed so please follow the simple guidelines that have to be followed so we can remain open. Thank you in advance.

The kitchen will not be open for meals for a bit, the hood is getting replaced. It's been in the works for a while and so we are taking advantage of the current situation to get that done.

We have had very successful functions in the pavilion, sub sales and BBQ's to name a few. Thank you to everyone who helped, in one way or another. We are having another sub sale and even working on a steak bake if you willing and able to help let a chair or board member know.

We will be having a craft and yard sale in September so please if you have gently used items, that you are willing to donate, by all means clean them up and bring them to the Lodge. Please don't block the walkway in the basement. If you would like to help, please let us know. We have at least 2 members that are willing to take this project on and the more hands we have the easier it is.

I know it's only August, but if anyone is interested in helping move the Lodge forward and taking on a new role at the Lodge reach out. New people with new ideas with a drive to help the Lodge and the community we serve are always wanted and needed.

Thank you to everyone for all you do.

Anne Leiser ER

Andy is the newest newsletter committee member. When you see him around the lodge be sure to share your thoughts and ideas. We are looking forward to his fresh ideas to make this newsletter even better.

Did you know?

Did you know on the Grand Lodge page there is a membership message board?

Link — <https://www.elks.org/messageboard/forum.cfm>

There are a lot of conversations, ideas, help assistance by members from all over happening. I had the opportunity to take a look to see what this was about and found it to be pretty cool. There are many topics covered and you can even start your own. Take a look. The link is above.

Membership Dues...

Members All - As one might suspect, these times are rough on us all. With the Lodge closed and unsure when it will reopen, your Dues are basically our only source of income. While our revenue has slowed, our bills have continued to come due. Paying your 2020 dues is more important now than ever

If you haven't yet paid your dues, please consider doing so as soon as possible.

Drop your dues in the mail to:
Kinderhook Elks Lodge No. 2530

If you have questions or concerns about your dues, please contact our lodge Secretary, Jerry Shook at 518-828-5749 or email him at sec2530@berk.com.

Membership Meetings

Welcome back!

The membership meetings have started again. Our next meeting is on August 24th, at 7:30p.

The lodge needs you. Please join us. We would love your ideas, input, and help. Without the fair and a few other events, we need ideas and other events to help bring in much needed revenue.

There are no bad ideas. Believe me, I come up with some doozies and they actually worked while we were shut down. So, come in and let's talk.

See you on the 24th.

Communities need Elks' help more than ever

As I begin my year as Grand Exalted Ruler, I want to begin by saying thanks to all of you and offer my sincere gratitude and appreciation that you have entrusted me as your next national president. This would not have been possible without all of you, my fellow brothers and sisters, and your support and guidance. I also need to thank my family and friends, and of course the assistance and aid of my wonderful wife.

When I started this adventure, finding a theme was something that I wanted to make sure stood out. I wanted to change a little of the landscape of the organization to make sure that we not only survive the future but thrive in it. With the changes happening in this world, my theme has become more and more vital to the situation. My Theme for 2020-2021 is ***Creating Momentum for the Future of Elksdom***. Now more than ever we need to go out there and help our communities and get them to

Message from the Grand Exalted Ruler

**PAUL R.
RYAN**

thrive again, get them to see the light at the end of the tunnel. Help to realize that this is a **great country**. And teach them who we are as Elks and that our organization is one that will Create Momentum for the Future of Elksdom and the people of this country.

The Elks are a community, and it is my hope for the coming year that by working together with the Elks National Foundation and through our Members and Lodges nationwide we can build both stronger communities and stronger Elks.

It is my goal that we can reach \$4.80 per Member in our ENF donations this Elks year. It's not a lofty goal when you consider that we have reached this amount for many of the past years. I understand that with the way the world is right now, it is hard to increase the goal. Lodges are closed and will have a hard time coming up with the extra funds to be able to sustain our current activity. Reach down and grab one more dollar. Believe me, the Elks National Foundation charitable giving will be needed more than ever and the funds will go a lot further now in the world that we are living in.

It is my challenge to each and every Member to practice the Elks values of Charity, Justice, Brotherly Love, and Fidelity in your work, your daily lives, and everything you do.

Stacey and I are looking forward to visiting you in each of your respective states and Lodges during our travels during the next year.

GRAND LODGE FRATERNAL COMMITTEE

Organ donation is the ultimate gift

By **JAMES E. STEWART**
Committee Member

Remember as a child the anticipation and excitement of Christmas? Waiting for Christmas Eve to come because Christmas morning would hold a big surprise for you?

Well, imagine being someone who is waiting for a heart, a lung, a cornea, or a kidney. Imagine the anticipation and excitement of getting that phone call that an organ is ready for transplant and you are the lucky one who will receive it! There is your Christmas present!

Today, there are 113,000 people waiting for that call; 82% of those are waiting for a kidney. Waiting for that special gift of life from someone who has passed on but left their legacy behind as an organ donor.

Every 10 minutes someone is added to the waiting list, but unfortunately, 22 die every day still waiting.

One organ, eye, and tissue donor can potentially save more than 75 lives! Some 8,000 deaths occur every year because organs are not donated in time. One out of three needing a donation is over 50 years of age.

Statistics show that 98% of Americans are in favor of donation, but only 58% are registered donors.

Please see **DONATE**, Page 4

DONATE From Page 1

What can you do to help? Register today as a donor! The Benevolent and Protective Order of Elks has partnered with Donate Life America.

April is National Donate Life month. Plan now for a fundraiser for Donate Life America by encouraging other Members and family members to become organ donors during the month of April 2021.

Visit the Donate Life America website for updates, registration information, printable handouts, videos of recipients, and more at donatelife.net.

Veteran Committee Update

Veterans Room on Fairview Ave Hudson

Thanks to Jerry Shook who obtained the grants for the veterans' programs, the veterans committee has been remarkably busy.

We celebrated the 4th of July bringing in pizza and wings to the veterans who are permanent residents of the Stratton VA hospital. We have also purchased 11 games for them, which were delivered on July 22nd. In addition, we bought a Keurig coffee pot along with K cups of coffee, hot cocoa, snacks and all the necessary items to go in the veterans room at 389 Fairview Ave (Tyme Square) run by Gary Flaherty our Columbia County Veterans Director.

There will be a grand opening of the room on August 15th, 2020.

If you know of an event or suggestions for events, please reach out to

Elks National Drug Awareness Program

Every year, the Elks Drug Awareness Program hands out more than seven million pieces of anti-drug literature to parents, teachers and kids. The brochures are primarily distributed through the program's 90 drug education trailers, which travel to community gatherings, such as fairs and sporting events.

The Elks have also teamed with Marvel Comic Books to produce a book featuring Marvel superheroes and Elroy the Elk in a battle against underage drinking. Other educational materials offered by the program include prevention tools for parents, videos, coloring books, posters and public service announcements.

Check out the website. It is fun and educational with online videos, comics and trivia games.

Elk of the Month

Since we have so many outstanding elks, the newsletter committee has decided to recognize an elk that has consistently gone the extra mile.

As you all know by now, we like to give recognition to a member that gives that little extra for the benefit of the Lodge. This month our EOM is a bartender, Scout leader, helps with the Marion Stegmann Fund, has helped with repairs, hanging pictures, cleaning, helps in the kitchen, helps with events, moving/selling the Queen of Hearts, is a huge supporter and helper of his wife Tammy. Thom is a man of few words but a huge heart.

Our Elk of the Month for August is none other than our own Abe Lincoln as some call him,
Thomas McDermott.

Veteran's Recognition

We would like to recognize our veteran members within our lodge. Email, text, drop off or mail a picture in your uniform along with your name for Thom and Tammy to pick up.

We will proudly display your picture in the order we received the submissions on a wall within the lounge for a month. We give time for members to guess who it is and then we will add your name to the picture.

Once your month of fame is over, we will place it in a photo album within the lodge.

Submit your picture to Thom and Tammy McDermott at:

editor@kinderhookelks.org

Wings & Dogs

Who would like to have Dave's delicious wings a dogs one day this month out in the pavilion? I know I would! Let him know. If there is a lot of interest, I am sure he can be persuaded to do it.

Random Acts of Kindness

People have shared with me the difficulties they have and not asked for help. We all have moments in our lives when we require the assistance of others. We don't ever know all there is to know or have the skills to do everything proficiently or successfully. We certainly shouldn't expect that of others, either. The biggest reason many seem to have not reached out is fear. People fear they will be rejected or told "no," fear being seen as "less than" or weak. We are brothers and sisters in this lodge. We are here for each other as well as the community. Reach out to each other if you need help, to vent, get advice, or just need someone to listen to you, help you with groceries, or what ever it may be. If you see someone being "not their usual self" reach out with some kindness. They maybe the person who will not ask for help but needs it.

Another Successful Blood Drive

Thank you for taking the time on July 9th to donate blood with the American Red Cross. Because of your donation, and the help of the other volunteers, we were able to collect a lot of pints of blood. We hope that we will see you again at our next blood drive on September 8th.
