## Newsletter of the Kinderhook Elks

### October 2020

#### ER's Message

To my Kinderhook Elks Family,

Welcome fall!!!! The country is starting to open up and along with it a surge in Covid. Please remember when you come to the Lodge to enter through the back entrance, mask on, sign in, sit down and then you can remove your mask. Lets stay open, there are not many of us that attend but the few that do we want it to stay this way. A little normalcy is better than none.

Thank you to all who have helped with the yard sale and steak bake. Get this, the yard sale made **\$3000. WOO HOO.** We are slowly bridging the gap left from no fair. Please be mindful of other members. If you can check in on them just to say hi it would be a great thing. There are so many sad events happening in the lives of our members. When you get that gut feeling that says check up on someone, don't ignore it, do it. God is telling you something. A friend did this for me on a bad day, and it meant so much. Thank you to her!!

The kitchen is getting done so hopefully we will be able to start up breakfasts and dinners again. That means we will need commitments from you to help with cooking, serving and cleanup. Also, Dave needs help, many bartenders haven't come back, and we completely understand that. If you are willing to help out please reach out to Dave, many barkeeps are working 4 or more shifts per month.

We are halfway through the Lodge year. We need you!!! Would you like to help move the Lodge forward? Come find out what a chair involves, or attend a trustees meeting, maybe you would like to become one. There are many hats to wear here, pick one and try it on.

Marion Stegmann is a go!! We are working out the details, and we will continue to update you as we proceed.

"The purpose of human life is to serve, and to show compassion and the will to help others" Albert Schweitzer

Thank you for everything you do for the Lodge and the community we serve. We couldn't do what we do without your help and support.

Anne Leiser ER

Joe and crew did a fantastic job on the sub sale event.

People were praising the amount of food you got for your money and how flavorful it was.

The yard sale crew was amazing. Working and helping all who stopped by to make sure they can stuff their cars full. Most everything was sold.

Thank you to Dave for a brilliant basket of cheer fund-raiser. That was a hit. The lady who won was overjoyed.

Chris and crew did a fabulous job on the steak bake. Many people commented on the flavor of the steaks and how tender they were.

**My social distance service animal**

Our teacher asked what my favorite animal was, and I said, "Fried chicken."

She said I was not funny, but she couldn't have been right, because everyone else laughed. My parents told me to always tell the truth. I did. Fried chicken is my favorite animal.

I told my dad what happened, and he said my teacher was probably a member of PETA. He said they love animals. I do, too. Especially chicken, pork, and beef. Anyway, my teacher sent me to the principal's office. I told him what happened, and he laughed, too. Then he told me not to do it again.

The next day in class my teacher asked me what my favorite live animal was. I told her it was chicken. She asked me why, so I told her it was because you could make them into fried chicken. She sent me back to the principal's office. He laughed and told me not to do it again.

I don't understand. My parents taught me to be honest, but my teacher doesn't like it when I am. Today, my teacher asked me to tell her what famous person I admired most. I told her, "Colonel Sanders." Guess where I am now...

## GRAND LODGE FRATERNAL COMMITTEE

### All American Lodges get attention, earn respect

By JAMES E. STEWART  
Committee Member

Is your community aware of the great deeds your Lodge does to promote charity and support our veterans? Do they know about our youth programs offered through Hoop Shoot, scholarships, etc.?

The best way to answer these questions is to participate in the Contest "A" – All American Lodge Contest! This year's contest form has been revised and the due date has been extended by two weeks – April 1, 2021.

The application is only one page. Points really add up when you participate in the numerous programs of our Order. Point values range from 5 to 100 and are easily attained. The form has been redesigned this year to address more programs and activities performed by the Lodge throughout the Lodge year. It is a great way to measure the success of your Lodge and to compete against other Lodges in your membership division. The contest is designed to let your Lodge shine and

receive the recognition so deserved of your Members' hard work all year long!

Letters are distributed to Exalted Rulers, District Deputies, and State Association Lodge Activities Chairs introducing them to the contest and explaining their duties. Contest applications must be signed by the Exalted Ruler and Secretary prior to sending to the District Deputy by the deadline date of April 1, 2021.

The District Deputy will score district submissions and forward the winners in each membership division to the State Lodge Activities Chair, who will select the top three state winners in each membership division and forward them for national judging.

Does your Lodge participate in the Americanism Contest, Hoop Shoot, Drug Awareness, CIP grants, Flag Day, and Mother's Day, just to name a few? All of these qualify for entry into the contest!

The contest is grouped into six membership divisions and first, second, and third place winners in each division are recognized. Recipients are announced at the Grand Lodge Convention.

For more information, go to [elks.org/grandlodge/fraternal/default.cfm](http://elks.org/grandlodge/fraternal/default.cfm)

## GRAND LODGE ACTIVITIES COMMITTEE

### Award honors Members who spread Scouting

By MICHAEL T. OHREN  
Committee Member

The Grand Lodge Activities Committee invites all Lodges to nominate one candidate for the **Marvin M. Lewis Award**, the highest award for scouting presented by the Elks. This is awarded to those Elks Members who have been strong promoters of Scouting in their Lodge and have an extensive history in working with Scouts. Four Elks each year are given this prestigious award.

Marvin M. Lewis Awards are presented annually at the Grand Lodge Convention. In addition, presentations can be made at events such as Boy Scouts of America Local Council, an Elks State Convention, or a Local Lodge meeting.

When selecting a candidate for the Marvin M. Lewis Award, candidates must have the recommendation of their Local Lodge and their local Scouting Council to be eligible. A Lodge should consider Elks who:

1. Have brought Scouting to many young people.
2. Have assisted Lodges in forming Scouting units.
3. Are fully trained in the skills of Scouting and are outstanding role models.
4. Have contributed significantly to Elks and Scouting by bringing the two movements together to serve the community.

5. Have offered Scouting to all youths regardless of race, creed, or income level, and have been instrumental in organizing Scouting units, especially in inner-city or other low-income communities.

A Grand Lodge selection committee will review candidates and choose qualified recipients. Applications for this award can be found on the Elks website under Grand Lodge Committees and are due on or before March 1, 2021. Lodges that submitted an application in the past and were not selected are encouraged to resubmit.

If you have questions, contact Michael Ohren at [white-tail@cox.net](mailto:white-tail@cox.net) or William Sternberg at [bigjockewing@yahoo.com](mailto:bigjockewing@yahoo.com).

We hope your special day will bring you lots of happiness, love, and fun.

## Have you seen the "Elk on the Trail ?

If you want to an enjoyable adventure, take a scenic ride and learn a bit of Elks' history go to Florida, Massachusetts that is.

About 50 miles from Valatie on Mass route 2 (the Mohawk Trail) stands an impressive sculpture of a regal elk. The monument was erected in 1923 by the Massachusetts Elks Association in honor of Elks from the Commonwealth who gave their lives during the First World War. The eight foot high bronze statue of an elk stands on a three foot high rough cut granite base. The elk holds his head high and has a full rack of antlers.

Recently, Jim McKay and Larry Eleby spent an afternoon with friends riding motorcycles and visited the "Elk on the Trail". The ride over to Florida from Valatie took about an hour-and-fifteen minutes by way of route 22 in NY and routes 43, 7 and 2 in Mass.

That is through New Lebanon in Stephentown, New York and Hancock, Williamstown and North Adams in Mass. It was quite a scenic ride and the monument which is on the side of route 2 at the top of Whitcomb summit is impressive to all and especially meaningful to member Elks.

## Elk of the Month

**Since we have so many outstanding elks, the newsletter committee has decided to recognize an elk that has consistently gone the extra mile.**

As you all know by now, we like to give recognition to a member that gives that little extra for the benefit of the Lodge.

The Elk of the month for October has been a member for decades. He is always willing to help when and wherever he can. He is a PER and will fill in any chair that is needed even when he gets a call 10 minutes before the meeting starts. He has been crew chief, bacon cooker, dish washer, bbq helper, car parker and anything else that he is able to do he does. He is a very calm person, and he loves the NY Jets.

The Elk of the month for October is PER **Frank Masten**.

## Tip of the Antler

Larry Knott, we can never thank you enough for all the support you give to the lodge. Larry is at every event, comes in each day to help the lounge, clean the facility, he lends an ear and will always cheer you up when you're feeling down. We all love his humor. He is our energizer bunny that you sometimes want to pull the battery out of because his mouth just keeps going and going. But that is why we love him so much. ## KINDERHOOK ELKS

The New York State Elks Association annually collects raw deer hides and the monies gathered from this great program are then distributed, on a monthly basis, to all veterans hospitals in the State of New York. Donated hides may be dropped off at any local participating Elks Lodge where they will be salted and prepared for the tannery. Rapid deterioration is a big factor so we suggest that no plastic bags be used unless air is allowed to circulate in the bag. Hide purchasers will not accept any hide that has deteriorated so PLEASE let us do our best to keep the hides in shape for the benefit of our hospitalized veterans. In return for your hide, a \$35 tax deductible certificate will be issued to the individual making the hide donation. There will be a sign-in sheet at each Lodge location which requires your name, address, and license type and number.

Thank you for supporting this very worthy program!
