

THE LEGEND

Newsletter of the Kinderhook Elks

July 2021

To the members of the Kinderhook Elks,

Oh boy the year is flying by. Covid is taking a backseat to life. Things are open and you can see everyone's smiling face again, isn't life grand? The Lodge is up and running. Breakfast is back so please spread the word. Friday night dinners are a hit, and Flag Day was a success. Thank you especially to John Deane for his organization of the event, Jeannie Engel for the refreshments, the Scouts for carrying the Flags, Jonathan Nichols for being our guest speaker, Chris Bellingham for taking pictures, and all those who attended and/or participated. It was a spectacular day and visiting afterwards was amazing. Thank you too all.

Tammy and Jeannie have country line dance lessons planned for Tuesdays in the pavilion and the Lodge yard sale will be the Saturday after the fair. The Fair is our biggest fundraiser of the year, sign up, help get all the shifts covered, and do what you can. Signup sheets are on the wall in the lounge. If you cannot get to the Lodge call 518-758-2530 after 4:00 pm and the bartender will sign you up. Also, when bringing things for the yard sale, please bring clean saleable items and place them in the cage in the basement. If you need help with getting items there, please reach out to us and we will work something out.

If you are interested in doing something, please let us know. There is always something going on. If you want to get more involved please reach out to someone you know and express your interest. Try working a dinner or breakfast crew. Not a good fit? That is ok, there are others to try. Like to cook? Have a meal idea and a free Friday? Let us know and we will work you into the rotation.

The Luau was a success, the attendees and the volunteers all seemed to have a wonderful time. Thank you to everyone who helped.

The ELK is here!!! and he is massive!! They could barely get him in the pavilion. Plans are being worked out for his placement.

There are so many amazing people at the Lodge, sort of like an extended family. You know what they say Elks Care Elks Share, so please come, get to know your fellow Elks, and get involved! After being 6' away from people it would be great to start fresh.

There are a ton of IFs in this letter, the Lodge works because the members work, not only for the benefit of the community, but for our own benefit. The human connection is a powerful thing. If we all work together we can accomplish so much. If you have an idea, let's run with it. If you want to know something, ask. If you want to get involved, do it!! We would love to have you.

Thank you to everyone for everything you do, those things that are seen and those that are not. It all needs to be done and many hands make light work.

Fraternally,

Anne Marie Leiser

Grand Lodge News

See you during the Momentum of the next many years

A year ago, Stacey and I were just beginning this crazy time of representing all of you as the Grand Exalted Ruler. I can honestly say that this was something I would have never envisioned, but I am so glad to have been given this opportunity.

Why did I use *Creating Momentum for the Future of Elkdom* for our year? This organization is over 150 years old. It began with a group of actors who got together and decided to help the spouse of one of their friends who had passed and left her with nothing. That was in a different time, but benevolence is still a main focus of our organization. But our organization is not the only thing that is aging—it is our membership. I

Message from the Grand Exalted Ruler

PAUL R. RYAN

want the Members to continue to recruit Members of the younger persuasion and get that benevolence into our younger generations.

I would love to continue to tell you what you should be doing during this time of year, but I think instead I want to delve into what this year has meant

to Stacey and me.

I joined this organization because my wife and her entire family were members. If you are 21 or over, believe in God and a part of my wife's family, you are an **Elk**! My in-laws then asked me to get on the board because of my experience in the hospitality industry and because of my business background. I had no idea it would lead to this position. Even a couple of years into my membership, I had no clue what a Grand Exalted Ruler was.

This year I will admit was difficult, the main reason is the COVID situation and the fact that Lodges were closed, Conventions were cancelled and States

Please see GER, Page 2

GER From Page 1

could not have people in and together. But it also has been very rewarding. However, once we were able to start to travel it was the time away from our family that was difficult. To be able to spend time with other people who love what this organization is all about. The warmth we received and the Elks we have had the chance to meet has been absolutely fulfilling. Nothing replaces our family, but the Elks Family sure helped remind us that we have a huge family. The COVID situation only showed me that it can get us down, but COVID cannot knock us out.

Stacey and I promise to continue to serve you as we move forward in our lives. We absolutely look forward to serving this organization and the people who we love and enjoy. You, the Elks!

We look forward to joining you in Tampa. It will be a fun and exciting convention. Thank you for allowing Stacey and I to represent you this last year and into the future.

GRAND LODGE FRATERNAL COMMITTEE

These Lodges are All American

By JAMES E. STEWART
Committee Member

The 2020-2021 Lodge year was one of unusual circumstances. Nevertheless, our Lodges continued the great works of Elkdom as exemplified by the high quality applications received for the Contest 'A' — All American Lodge Contest. Complements to the many hundreds of Lodges that entered district contests and congratulations to the Lodges that achieved honors during their subsequent state competitions.

One-hundred and thirty-four (134) applications were forwarded for judging in the national competition. Each Lodge offered examples of fidelity to our Order and extraordinary service to their communities. You are models for us to follow. You make us **proud** to be Elks!
