## Exalted Ruler's Message

To the Kinderhook Elks Family,

Let's take a moment to breathe and savor our time. May flew by in a whirlwind! Together, we've made remarkable progress on lodge improvements, planned exciting fundraisers, and Chris has been tirelessly bringing in rentals. I'm grateful for each of your dedicated efforts and the inspiring work you continue to contribute!

The convention was an incredible opportunity to delve into the rich traditions of Elkdom. I had the pleasure of reconnecting with old friends from various lodges, sharing stories and laughter that brought back memories of our shared experiences. Additionally, I forged new friendships that I look forward to nurturing in the future. The atmosphere was filled with camaraderie, and the workshops and discussions provided valuable insights. I discovered a wealth of new knowledge and insights!

The walking group offers a refreshing chance to enjoy nature while connecting with fellow members. Experience the joy of fresh air and the warmth of friendship as you share laughter along the way. Additionally, don't miss out on the book club, which provides an enriching opportunity to explore thrilling adventures, intriguing mysteries, and heartfelt love stories, all while building meaningful connections with others.

We proudly present our 'Take It and Make It' series during the summer months. Join us for a fun and creative experience where you can learn new skills and create amazing projects. Check out the flyer for details.

All our upcoming events are posted on the bulletin board and shared via email every two weeks. Let's get excited about the Columbia County Fair! The traffic directing schedule for car parking is now available for everyone to view. We encourage you to sign up and participate in the coming months to reduce the need for phone tree calls, working together to make this process smoother and more efficient.

We still have one open position for the Esquire role. If you're interested in taking advantage of this opportunity, please don't hesitate to reach out to me or any of the other officers or PERs. Even if you want to discover more about what the position involves, we would love to talk about it with you.

Please keep an eye on the bulletin board and check your emails for the upcoming events and volunteer opportunities. Your support will make a meaningful difference, and together we can create something truly special.

Remember, everyone, this is your Lodge. Use it, support it, and continue to promote it. See you at the Lodge!

Exalted Ruler Tammy McDermott

**Congratulations to John P Lawless of Haverstraw Lodge #877 on his election  
as President of the New York State Elks Association.**

**The President's motto is TEAM- "Together Elks Achieve More"**

---

**Congratulations to Mike Pendergast for achieving the esteemed position of  
New York State Elks Association State Vice President (North Hudson District).**

As we enter the new year, we would like to remind all members of the House Rules established within our lodge. In accordance with the Grand Lodge statutes, self-service of alcohol in any form, including the use of beer pitchers, is strictly prohibited. Only authorized bar staff are permitted to dispense alcohol at all times. Additionally, it is highly recommended that all bartenders complete the New York State TIPS Training in order to maintain their eligibility for bartending duties. We appreciate your attention to these important guidelines.

## HOUSE RULES

1. The Bartender is ultimately in charge of the Lounge during its Hours of Operation.
2. All Members must show a valid Membership Card to the Bartender in order to be served.
3. Members are responsible for the conduct of their guests.
4. At all times, non-members shall be escorted by a Member holding a valid Membership Card. Nonmembers, who arrive before their escorts, may wait in the Lounge area, but shall not sit at the bar until either his/her escort arrives or another valid Member offers to be his/her escort and agrees to remain with him/her.
5. Whenever possible, all beverages and food, consumed in or on Lodge property, shall be purchased through the House Committee or the Committee sponsoring the function.
6. For reasons of safety and control, the use of the Lodge and Lounge area during the Hours of Operation will be at the discretion of the Bartender. The Bartender may defer action to a House Committee member in attendance or Lodge Officer in attendance should he/she so choose to do so.
7. The Bartender has the right and obligation to refuse to serve anyone whom he/she feels has abused his/her privileges or whom he/she feels has over indulged. Bartenders should never allow self-service of alcohol under any circumstance; and should never serve drinks to anyone not escorted by a Member in good standing. Anyone who serves alcohol should receive training from one of the many available courses that certify bartenders. Bartenders shall not sell, deliver, or give away or procure to be sold, delivered or given away, any alcoholic beverages to any person, actually or apparently, under the age of twenty-one years; to any visibly intoxicated person; to any habitual drunkard known to be such to the person authorized to dispense any alcoholic beverages. Bartenders shall refrain from consuming alcohol while on duty.
8. Opening the Lounge at times, other than the posted Hours of Operation, may not be done without the permission of a House Committee member. There must be a qualified Bartender present to assume the responsibility for operating the bar.
9. When a qualified Bartender cashes out, the bar is officially closed. Everyone must exit the bar area. No one is to re-open the bar unless there is a qualified Bartender present who is willing to re-open the Lounge and assume all responsibilities for re-closing.
10. Violation of House Committee Rules may result in suspension of privileges.
11. No one under the age of twenty-one (21), is allowed to sit at the bar or make purchases.
12. Smoking is not permitted in the Lodge. Smoking may occur in the designated area provided outside.
13. Safety, common sense, and courtesy should apply at all times. In case of questions, the Bartender, House Committee member, or Lodge Officer (in that order) will render a decision.
14. No player has the right to monopolize a game; and may be challenged at any time.
15. No child shall be left unescorted or unsupervised in the Game Room.
16. On busy nights, children may not use the Game Room or be in the Lounge area after 10:00 PM. Use of the gaming equipment is at the discretion of the Bartender.
17. The over service or consumption of alcohol as defined by local law or ordinance is strictly prohibited; this rule shall be applicable to all Members, Officers, and employees of the Lodge pursuant to Grand Lodge Statute 17.052.

Never forget that Memorial Day is a day of remembrance to honor an immensely selfless sacrifice. Take a moment out of your day on Monday to commemorate and remember our Fallen Heroes whose service and sacrifice is a beacon of hope for us all.
